The Center for the Arts postpones all March & April classes and events, and closes building temporarily to all visitors and staff.

Monday, 3/16/2020 @ 6:00 pm

We regret that due to COVID-19 coronavirus concerns, all of the Center’s March and April events have been postponed until a future date, and the building is closed to all visitors and staff.

This decision was reached mutually between the Center, the artists and their tour management teams, our instructors, community partners and local government institutions. We are actively working with each of these entities to reschedule show and event dates for late spring and this summer.

Additionally, in accordance with Friday’s Official Order, and today’s Second Amended Standing Public Health Order from Gunnison County Public Health to limit social gatherings and to practice social distancing, the Center for the Arts building will be temporarily closed to all visitors and staff until further notice.

As of today, all staff will be working their normal schedules from their homes. Please either email or call the Center at (970) 349-7487 and listen to the prompts for a list of all staff and their extensions. We feel this is the safest course of action to take at this time for the health of our patrons, staff and our community.

The online Box Office remains open at crestedbuttearts.org

Here’s what to do:
First, we ask that you protect yourself and your fellow community members by following all recommended precautions against the spread of coronavirus. We are following the
guidance of our local public health officials, we are monitoring the recommendations of Gunnison County, and we will provide updates as they are available.

Second, if you hold tickets to one of these cancelled events, we would greatly appreciate it if you would wait for the reschedule dates to be announced before asking for a refund. **We will be announcing rescheduled show dates as soon as they are confirmed.** Patrons who know they cannot attend a rescheduled date, **we ask that you consider your ticket purchase a donation to the Center for the Arts** to help us through these challenging times, or request an exchange or a refund by emailing info@crestedbuttearts.org. Please include the name of the artist or event, class or workshop in your subject line. Due to the current high volume of requests, please allow at least 2 business days for a response from the Center.

Again, we are working to reschedule these events and will communicate with ticket holders about the status of those rescheduled dates as soon as we know the details. New show dates will be posted on Facebook and on crestedbuttearts.org. If you decide to hold on to your tickets to attend a rescheduled event, once dates are confirmed your tickets will be valid on that future date. No exchange will be necessary.
